Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Industrial Division

DATE: 30 June 1958

FROM : Chief, Guided Missile Branch

SUBJECT: Monthly Report, June 1958

1. Accomplishments:a. Branch Projects Submitted:

No numbered projects were submitted during the month. However, the branch continued its active support to GMIC in connection with NIE 11-5-58 (ORR Project No. 37.2084), which has now been submitted by GMIC to ONE.

b. Other Projects Submitted:

- (1) A Current Support Memorandum which reviewed and analyzed all available evidence of guided missile activity in Communist China was prepared and submitted to St/CS.
- (2) A Part II item was prepared for the OOI Current Intelligence Weekly Review which reported recent developments concerning the Soviet air-to-surface missile training program.

c. Special Research: 55 hours

This includes six briefings and conferences on various problems of mutual interest.

d. Other:

25X1C8c

- (2) Chief, I/GM, in conjunction with Deputy Chief, GMD/OSI, initiated a series of briefings for selected DD/P personnel as part of the joint
